Re: **Request for Public Records**

Dear Mr. Forster:

I am writing in response to your request, dated and received May 14, 2013, for a copy of the comments Hampton Roads Transit gave to the city on the private light rail proposal submitted by Philip Shucet.

City Attorney Mark Stiles provided the enclosed document. Redactions have been made pursuant to Virginia Code § 2.2-3705.6(11)(b).

If you have any questions concerning this response, please feel free to contact me at 385-4052 or nbloom@vbgov.com.

Sincerely,

Nancy L. Bloom
